OmniOne Badge makes a positive impact for both badge issuers and users.

Value of digital badge = Achieve badge issuer's object + Give meaning of experience + Benefits when applying for the jobs + Certified by verified institutes × Raise awareness of the digital badge

Benefits

“Digital Badge service provides more reliable and richer validation of qualification”

01

The verified blockchain DID technology makes digital badge more reliable and tamper-proof.

02

Simple verification process maximizes efficiency.

03

Using digital badge reduces costs from printing, shipping and storing physical certificates.

04

Digital badges can be used as a more reliable and richer validation method.
