EXPECTED BENEFITS

Digital badges provide positive impacts for both issuing institutions and recipients.

For users, they offer motivation and a sense of belonging, while for institutions, they serve as a marketing tool and enhance operational efficiency.

For Users

- Own badges that visually represent their skills, knowledge, and experiences.
- Share and showcase badges on online portfolios and job support platforms.
- Enhance sense of belonging and satisfaction.
- Interoperable with other badge wallets as an internationally standardized badge.

- ✓ Motivation
- ✓ Credential Verification
- ✓ Digital Career Management

For Issuing Institutions

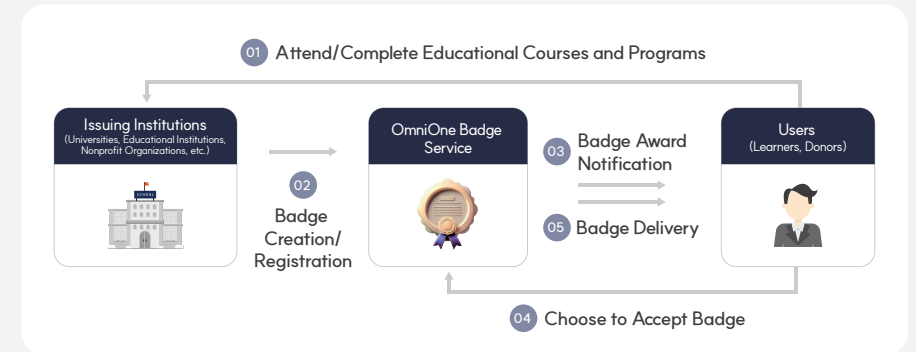

- Save time and costs compared to traditional paper-based certificates.
- Provide recipients with a stronger sense of belonging and motivation.
- Send updates on new badges and manage badge status (e.g., expiration or revocation).
- Control and manage issued badges even after distribution.

- ✓ Official Recognition
- ✓ Operational Efficiency
- ✓ Marketing Tool
